NOTICE OF PRIVACY PRACTICES

This notice is to inform you that your personal health information will only be used for purposes of treatment in the volunteer dentists' facility and will not be misused or disclosed by/to anyone outside of E.O.D.D.S. and/or the volunteer dentist you will be assigned to. You may gain access to this information if you desire.
Please review it carefully. The privacy of your health information is important to us.

OUR LEGAL DUTY

We are required by applicable federal and state law to maintain the privacy of your health information. We are also required to give you this notice about our privacy practices, our legal duties and your rights concerning your health information. We must follow the privacy practices that are described in this notice while it is in effect. This notice takes effect on April 14, 2003 and will remain effect.

We reserve the right to change our privacy practices and the terms of this notice at any time provided such changes are permitted by applicable law. We reserve the right to make the changes in our office and the new terms of our notice effective for all health information that we maintain, including health information we created or received before we made the changes. Before we make a significant change in our privacy practices, we will change this notice and make the new notice available upon request.

You may request a copy of our notice at any time. For more information about our privacy practices, or for additional copies of this notice, please contact us using the information listed at the end of this notice.

USES AND DISCLOSURES OF HEALTH INFORMATION

We use and disclose health information about you for treatment and healthcare providers. For example:

TREATMENT: We may use or disclose your health information to a physician, dentist, or healthcare provider who will be providing treatment to you through E.O.D.D.S.

HEALTHCARE OPERATIONS: We may use and disclose your health information in connection with our healthcare operations. Healthcare operations include quality assessment and improvement activities reviewing the competence or qualifications of healthcare professionals, evaluating practitioner/dentist and provider performance, conducting training programs, accreditation, and certification, licensing or credentialing activities.

YOUR AUTHORIZATION

You may give us written authorization to use your health information or to disclose it to anyone for any purpose (e.g. a family member calling on your behalf, referral to volunteer dentist or specialist, etc.) If you give us an authorization, you may revoke it in writing at any time. Your revocation will not affect any use or disclosure permitted by your authorization while it was in effect. Unless you give a written authorization, we cannot use or disclose your health information for any reason except those described in this notice.

TO YOUR FAMILY AND FRIENDS

We must disclose your health information to you as described in the Patient Rights section of this notice. We may disclose your health information to a family member, friend or other person to the extent necessary to help with your healthcare, but only if you agree that we may do so.

PERSONS INVOLVED IN CARE

We may use or disclose health information to notify, or assist in the notification of (including identifying or locating) a family member, your personal representative or another person responsible for your care of your location, your general condition or death. If you are present, then prior to use or disclosure of your health information we will provide you with an opportunity to object to such uses of disclosures. In the event of your incapacity or emergency circumstances, we will disclose health information based on a determination using our professional judgment disclosing only health information that is directly relevant to that person's involvement in your healthcare. We will also use our professional judgment and our experience with common practice to make reasonable inferences of your best interests in allowing a person to pick up filled prescriptions, medical supplies, x-rays or other similar forms of health information.
